Name

Personal Skills and Expertise

Language skills (indicate level: e = excellent, g = good, b = basic)

	English	<input type="text"/>	<input type="text"/>
Written	<input type="text"/>	<input type="text"/>	<input type="text"/>
Oral	<input type="text"/>	<input type="text"/>	<input type="text"/>
Reading	<input type="text"/>	<input type="text"/>	<input type="text"/>

Technical skills and Expertise

I have a sound knowledge of the following methods / techniques

Research Experience

I have got basic research experience in

Any comments

Confirmation

- I confirm that all information given in the online registration is complete and correct.
- Copies of my certificates are true copies without any changes. I am aware that false information, given intentionally or unintentionally, will be considered a misdemeanour and will immediately result in my being excluded from the admission procedure or – if later detected – from the membership of the International ENB PhD Programme of Excellence.
- I declare that I am fluent in written and spoken English.
- I consent to the storage of my personal data for application and admission purposes.

(Place, date) (Signature)

Additional Explanations

- If you are working for a company we will not contact them without your prior permission. In some cases we only contact your referees for further information or clarification.
- Data and documents submitted will be deleted or shredded after two years.
- We will not send back any certificates or other documents. Therefore please never send originals only copies.

Please **send the complete application package** filled in English or German to the following address:

**International ENB PhD Programme of Excellence
Quantum Computing, Control and Communication
Prof. Dr. Steffen Glaser
Department Chemie, Technische Universitaet Muenchen
Lichtenbergstr. 4
85747 Garching, Germany**

Checklist for all required documents

- a signed and filled cover sheet
- copies of academic diplomas and transcripts including Bachelor's and/or Master's degree
